"The least thing upsets him on the links. He misses short putts because of the uproar of butterflies in the adjoining meadows."

"Don't be in such a hurry. That little white ball isn't going to run away from you."

"My favourite shots are the practice swing and the conceded putt. The rest can never be mastered."

"It's good sportsmanship not to pick up lost balls while they are still rolling."

## Golf Mulligan at a Glance

Here is a quick summary of what makes AXA Golf Insurance different from the rest.

### Legal Liability

**BD 100,000**

We know the advice: "Hit 'em hard. They'll land somewhere." Yes but where? If you are not sure, and you land in trouble, we will cover you for accidental property damage belonging to a third party, or for accidental death or bodily injury to your 'caddy' or other persons on the golf course - while playing golf or practicing or through any defect in the golf equipment.

### Personal Accident

**BD 10,000**

Provides benefits in the event of your suffering accidental death or permanent disablement according to the scale listed in the Policy. The cover also includes pro-rata reimbursement of your membership fees up to BD 250.

### Golfing Equipment

**BD 750**

"If it ain't broke, try changing your grip!" is what golfers suggest. What if it is broke? We will cover you for accidental loss of or damage to golf clubs, golf bags and other golfing equipment including whilst these are in transit. This also includes breakage of a golf club during play. The policy, however, does not cover golf balls during play, nor self-propelled caddy cars.

### Personal Effects

**BD 500**

Policy covers for accidental loss or damage to other personal effects you may take with you to the golf club premises or in the locked cabinet of the golf club. This excludes money, credit cards, documents. Watches and jewellery are only covered if they are on your person or locked in the premises locker at the golf course.

### Hole in One

**BD 100**

We all know that man blames fate for other accidents but feels personally responsible for a hole in one! In the event that you score a hole in one before two witnesses during a game on any regulation golf course, we will pay a customary cash amount for the 'nineteenth hole' expense.

### Baggage Delay

**BD 100**

In case your golf bag is delayed or lost by the airline during your outward international journey for more than 12 hours, you can hire golf equipment up to BD 20 per day for up to 5 days.

Disclaimer: This leaflet provides only summary information about coverage. Full details of terms, coverage, conditions and exclusions are contained in the Policy, available from any AXA branch office in the Gulf or at our website [www.axa-gulf.com](http://www.axa-gulf.com).
